

Work Experience

7/22 - Present

Creative | Second Order Effects
El Segundo, CA

Second Order Effects is an engineering consulting firm. As a creative, I worked with marketing to produce 3D and 2D graphics and graphic design for internal and external presentations, investor pitch decks, website, project case studies, and misc. client needs. I also produced short and long form video content for social media.

4/22 - 7/22

Creative Intern | Second Order Effects
El Segundo, CA

Same job description as above. As an intern, I was given the responsibility of a full-time creative.

3/19 - Present

Art Instructor | InArt Education
Los Angeles, CA

Private art academy where I taught basic 3D CAD techniques in ZBrush, C4D, and Substance Painter Basics. Also assisted in preparing student's portfolios and supplemental essays for art school.

6/15 - 3/18

Head Server, Server, etc | Octopus Glendale
Glendale, CA

Octopus is a high-volume sushi chain where I started as a busser and eventually promoted to head server, where I often handled 10+ tables. As head server I also provided managerial services such as: managing all sections in the restaurant and closing for the day.
